# Enrolling is Simple. Just Follow These 3 Easy Steps...

## Step 1

#### What you need to know when you apply:

- Social Security numbers for applicants who are U.S. citizens, or document information for immigrants with satisfactory status who need insurance. Proof of citizenship or immigration status is required only for applicants.
- Employer and income information for everyone in your family.
- Your federal tax information. For example, the person who files taxes as head of household and the dependents claimed on your taxes.
- Information about health insurance that you or any family member gets through a job.
- → We ask about income and other information to make sure you and your family gets the most benefits possible.
- → We keep your information private and secure, as required by law. We'll use your information only to see if you qualify for health insurance.
- → Families that include immigrants can apply. You can apply for your child even if you aren't eligible for coverage. Applying for your eligible child won't affect your immigration status or chances of becoming a permanent resident or citizen.
- → If you don't file taxes, you can still qualify for free or low-cost insurance through Medi-Cal.

### Your rights and responsibilities

- The information I gave on this application is true as far as I know. I know that I may be subject to a penalty if I do not tell the truth.
- I understand that the information I give will be used only to see if those in my family who are applying for health insurance will qualify.
- I understand that Covered California and the Medi-Cal program will keep my information private, as the law requires. For more information, or access to personal information in records maintained by Covered California and the Medi-Cal program, I can contact the Privacy Officer at 1-800-300-1506 (TTY: 1-888-889-4500).
- I understand that to be eligible for Medi-Cal, I am required to apply for other income or benefits to which I or any member of my household is entitled, unless he or she has good cause for not doing so. Examples of such income or benefits are pensions, government benefits, retirement income, veteran's benefits, annuities, disability benefits, Social Security benefits (also called OASDI or Old Age, Survivors, and Disability Insurance), and unemployment benefits. But such income or benefits do not include public assistance benefits, such as CalWORKs or CalFresh. If I have a question about a possible source of income, I can call Covered California at 1-800-300-1506 (TTY: 1-888-889-4500) for help.
- I know that I must tell Covered California or my county social services office about changes to anything I wrote on this application. To report changes, I can call Covered California at 1-800-300-1506 (TTY: 1-888-889-4500) or visit CoveredCA.com. Or I can call my county social services office.
- I know that Covered California must not discriminate against me or anyone on this application because of race, color, national origin, religion, age, sex, sexual orientation, marital status, veteran's status, or disability. If I think Covered California has discriminated against me, including the failure to provide reasonable accommodations as required under state and federal law, I can make a complaint by visiting www.hhs.gov/ocr/office/file or http://oag.ca.gov/ contact/general-comment-question-or-complaint-form. If I believe that Covered California has discriminated against me or anyone else on this application in connection with a Medi-Cal eligibility determination, I can also file a complaint with the Department of Health Care Services, Office of Civil Rights by calling 1-916-440-7370 (TTY: 1-916-440-7399).

- I understand that any changes in my information or information of any member(s) in the applicant's household may affect the eligibility of other members of the household.
- Except for purposes of applying for Medi-Cal, I confirm that no one applying for health insurance on this application is confined, after the disposition of charges (judgment), in a jail, prison, or similar penal institution or correctional facility.
- I understand that I must report income changes to Covered California because it may affect the amount of premium assistance (or tax credits) that I may be eligible to receive. I also understand if I receive too much premium assistance (or tax credits) during the benefit year, I will have to repay the extra premium assistance back to the IRS when I file my federal income taxes for the benefit year.
- I give my permission to Covered California to check other agencies' computer records to verify citizenship, satisfactory immigration status, tax information, and other information related only to eligibility to see if I and other people on this application qualify for health insurance.

#### If someone on the application qualifies for Medi-Cal:

 I know that if Medi-Cal pays for a medical expense, any money I or anyone on this application gets from other health insurance or legal settlements related to that expense will go to Medi-Cal as payment for the expense until the expense is paid in full.

#### For parents whose child or children qualify for Medi-Cal:

I know I will be asked to help the agency that collects medical support from any parent on this application who does not live with the child and does not send support for the child. If I think that helping will harm me or my children, I can tell the Medi-Cal program and I will not have to help.

## Please read and sign this application (continued)

### Your rights and responsibilities (continued)

#### Your right to appeal:

- If I think Covered California or the Medi-Cal program has made a mistake, I can appeal its decision. To appeal means to tell someone at Covered California or the Medi-Cal program that I think its decision is wrong and ask for a fair review of the action.
- I know that I can find out how to appeal by calling 1-800-300-1506 (TTY: 1-888-889-4500).
- I know that I must file an appeal within 90 days of the decision.
- I know that I can represent myself or have someone else represent me in my appeal, such as an authorized representative, a friend, a relative, or a lawyer.
- I know that if I need help, someone at Covered California, the Medi-Cal program, or the county social services office can explain my case to me.

#### Renewal of insurance

To make it easier to continue to get health insurance in future years, I agree to allow Covered California to use computer sources, such as the IRS, to check my income. If the sources show I am still eligible, my insurance coverage can be renewed for another 12 months and I won't have to fill out a renewal form or send other paperwork.

I understand that if I choose not to allow Covered California to use computer sources, I must complete a renewal packet every 12 months in order to continue my health insurance.

## **For American Indians or Alaska Natives**

#### 🛨 Complete this if you or a family member is American Indian or Alaska Native.

American Indians and Alaska Natives can get services from the Indian Health Services, tribal health programs, or urban Indian health programs. Federally recognized American Indians and Alaska Natives also may not have to pay out-of-pocket costs (such as copayments) and may get special enrollment periods. Be sure to complete this form and send it in with your application and your proof of American Indian or Alaska Native heritage. You may send a document from a federally recognized Indian tribe that shows you are a member of the tribe or affiliated with the tribe. Documents may include a tribal enrollment card or certificate of degree of Indian blood (CDIB) from the Bureau of Indian Affairs. If you think you qualify for Medi-Cal, you do not have to send proof. See Attachment F to see if you can qualify for Medi-Cal.

If you need to tell us about more than four people who are American Indians or Alaska Natives, **make a copy of this page**, and be sure to send it with your application.

## **Agreement for Binding Arbitration**

#### ▶ For each person who selects a Covered California plan:

I understand that every participating health plan has its own rules for resolving disputes or claims, including, but not limited to, any claim asserted by me, my enrolled dependents, heirs, or authorized representatives against a health plan, any contracted health care providers, administrators, or other associated parties, about the membership in the health plan, the coverage for, or the delivery of, services or items, medical or hospital malpractice (a claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), or premises liability.

I understand that, if I select a health plan that requires binding arbitration to resolve disputes, I accept, and agree to, the use of binding arbitration to resolve disputes or claims (except for Small Claims Court cases and claims that cannot be subject to binding arbitration under governing law) and give up my right to a jury trial and cannot have the dispute decided in court, except as applicable law provides for judicial review of arbitration proceedings. I understand that the full arbitration provision for each participating health plan, if they have one, is in the health plan's coverage document, which is available online at **CoveredCA.com** for my review, or, I can call Covered California at **1-800-300-1506** (TTY: 1-888-889-4500) for more information.

#### ► For each person who selects a Kaiser Medi-Cal health plan:

Notice of binding arbitration: I have read the plan description. I understand that Kaiser requires the use of binding neutral arbitration to resolve certain disputes. This includes disputes about whether the right medical treatment was provided (called medical malpractice) and other disputes relating to benefits or the delivery of services, including whether any medical services provided were unnecessary or unauthorized, or were improperly, negligently, or incompetently rendered. If I pick Kaiser as my Medi-Cal health plan, I give up my constitutional right to a jury or court trial for those certain disputes. I also agree to use binding neutral arbitration to resolve those certain disputes. I do not give up my right to a state hearing of any issue, which is subject to the state hearing process.

# Frequently Asked Questions (FAQ)

## **Getting help through Covered California**

#### 1. What is Covered California?

Covered California is the new marketplace that makes it possible for individuals and families to get free or lowcost health insurance through Medi-Cal, or to get help paying for private health insurance available through Covered California.

Our goal is to make it simple and affordable for Californians to get health insurance. Covered California is a partnership of the California Health Benefit Exchange and the California Department of Health Care Services.

#### 2. What is Medi-Cal?

Medi-Cal is California's version of the federal Medicaid program. It is free or low-cost health insurance for California residents who qualify.

#### 3. What is Access for Infants and Mothers (AIM)?

AIM is a low-cost health insurance program for pregnant women who don't have health insurance and whose income is too high for no-cost Medi-Cal. AIM is also available to women who have private health insurance plans with a maternity-only deductible or copayment greater than \$500.

#### 4. How can Covered California help me?

Covered California can help you choose a private insurance plan that meets your health needs and budget. We offer some of the state's best-known health plans, and some regional or local plans too.

We can explain the costs and benefits of health insurance plans clearly, so you can compare the different choices available to you. You will know exactly what you're getting and how much you have to pay before you choose your plan.

### 5. Can I get health insurance even if my income is too high?

Yes. Any Californian who qualifies can purchase private health insurance through Covered California regardless of income. We use your income to help us find the health insurance that is most affordable for your family.

#### 6. What health insurance is offered through **Covered California?**

You will have a wide variety of health plans to choose from. Health insurance companies cannot refuse to cover you because you have been sick before or could not get coverage.

Covered California offers four groups of private health insurance plans: platinum, gold, silver, and bronze, plus a minimum-coverage plan.

Each group offers a different level of coverage, from high to low. Health insurance plans that cover more of your medical expenses will usually have a higher premium but allow you to pay less when you receive medical care.

Platinum plans have the highest premium, but they pay roughly 90% of your health care expenses. Gold plans pay roughly 80%, and silver plans pay roughly 70% of your health care expenses. Bronze plans have the lowest premium but pay roughly 60% of covered health expenses. To learn more about the full benefit packages available, please visit CoveredCA.com and review the plan documents, such as the plan's Evidence of Coverage, or the plan's insurance policy. Or call us at 1-800-300-1506 (TTY: 1-888-889-4500).

If you qualify for Medi-Cal, the coverage and costs are different and may be free for you.

#### 7. Can I get health insurance through **Covered California?**

Any Californian can get health insurance through Covered California if he or she is a state resident and meets other requirements.

Applicants may qualify for a free or low-cost health plan, or for financial help that can lower the cost of premiums and copayments. The amount of financial help is based on household size and family income. Applicants qualify if their income meets the income limits.

#### 8. How much does it cost?

The cost depends on what health insurance programs and financial assistance you qualify for, as well as which plan you choose. You can use the cost calculator at CoveredCA.com to find the cost and see if you qualify for help paying insurance.

# Getting help through Covered California (continued)

# 9. Should I include my first premium payment with this application?

## 12. What if I already have health insurance?

If you already have affordable health insurance from your employer, you do not need to do anything. But you can still apply anyway to find out if you or your family members qualify for free or low-cost health insurance.

If you apply, be sure to complete Attachment B and send it in with your application.

# 13. Do I need health insurance now that health reform has started?

Starting in January 2014, most people, including children, will be required to have health insurance or pay a tax penalty. Coverage may include insurance through your job, coverage you buy on your own, Medicare, or Medi-Cal.

But some people are exempt from having health insurance. Those people include, but are not limited to, members of federally recognized religious sects or divisions whose religious beliefs are opposed to accepting benefits from a health insurance plan, people who are incarcerated, people who are members of a federally recognized American Indian or Alaska Native tribe, and those people who have to pay more than 8% of their income for health insurance, after taking into account any employer contributions or premium assistance.

In 2014, the penalty will be 1% of your yearly income or \$95, whichever is higher. The penalty will go up each year. By 2016, the penalty will be 2.5% of your yearly income or \$695, whichever is higher. After 2016, the tax penalty will increase each year based on a cost-of-living adjustment.

For more information about penalties, visit **CoveredCA.com** or call your local county social services office or Covered California.

# 14. I don't have all the information I need to answer the questions on the application. What should I do?

#### 17. How can I choose a health insurance plan?

If you qualify for private health insurance plans through Covered California, you can visit CoveredCA.com to easily shop and compare health insurance plans. Covered California health plan brochures are also available for you.

Covered California will offer choices of private health insurance plans and Medi-Cal plans. You can choose the level of coverage that best meets your health needs and budget.

- You can choose to pay a higher monthly cost (called a premium) so that you pay less out of pocket when you need medical care.
- Or, you can choose to pay a lower monthly cost but pay more out of pocket when you need care.

If you qualify for Medi-Cal, the coverage and costs are different, and they may even be free. To learn more about available Medi-Cal plans in your county, call Health Care Options at **1-800-430-4263** (TTY: 1-800-430-7077). Or, visit www.healthcareoptions.dhcs.ca.gov.

### Financial assistance

#### 18. I don't make a lot of money. What programs are available to help me get health insurance?

Starting on January 1, 2014, people who need health insurance may be able to get help in one of these ways:

A. Assistance with monthly premiums. Premium assistance is available to help make health insurance affordable. People who qualify for premium assistance can get the assistance in advance (before they file taxes) to make their monthly premiums lower. Or they can get the assistance at the end of the year and pay less in taxes.

The amount of assistance for monthly premiums depends upon your household size and family income.

B. Medi-Cal: Medi-Cal is California's Medicaid program, paid for with federal and state taxes. It's health insurance for low-income California residents who meet certain requirements.

If your income is within the Medi-Cal limits for your family size, you will receive Medi-Cal coverage at no cost to you.

### 19. If my income changes, will my premium assistance change immediately?

No, your premium assistance will not change immediately. We will process any new information we have. And, we will tell you if the amount of your premium assistance changes.

#### 20. If my income changes, how will the change affect me when I file my taxes?

It is important to report income changes to Covered California that affect the amount of premium assistance (or tax credits) that you receive. If your income decreases, you may qualify to receive a higher amount of premium assistance and reduce your out-of-pocket expenses even more. However, if your income increases, you may receive too much premium assistance and may be required to repay some of it back when you file your taxes for the benefit year.

## Financial assistance (continued)

#### 21. What if I didn't file taxes last year?

If you didn't file taxes last year, you can still apply for health insurance and get premium assistance. We will use your income to help us find the health insurance that is most affordable for you and your family.

If you qualify for premium assistance, you must file taxes for the benefit year.

#### 22. What if my income changes after I apply?

If your income changes, it may change what kind of health insurance you qualify for.

If you have private health insurance through Covered California, call to report any change in your income that may affect your eligibility within 30 days.

If you have Medi-Cal and your income changes, contact your county social services office within 10 days.

## Other questions

# 23. Does everyone on the application have to be a U.S. citizen or U.S. national?

No. You may qualify for health insurance through Medi-Cal even if you are not a U.S. citizen or a U.S. national.

# 24. Will my family and I qualify for the same program?

Depending on your household size or family income, you or your family may qualify for different programs. For example, you may qualify for affordable private health insurance available through Covered California. However, your child may qualify for free Medi-Cal. We will tell you which health insurance you and other members qualify for.

# 25. This application asks for a lot of personal information. Will Covered California share my personal and financial information?

No. The information you provide is private and secure, as required by federal and state law. We use your information only to see if you qualify for health insurance.

# 26. Will I be able to use my new Covered California health insurance plan right away?

If you are applying between October and December, 2013, health plans start providing services as early as January 1, 2014. If you are applying after January 1, 2014, your health plan may be able to start providing services as soon as the month after you apply.

#### 27. What do you mean by "disability"?

You may have a disability and qualify for Medi-Cal if:

- You are deaf or have a serious hearing loss.
- You are blind or have a serious vision loss, even when wearing glasses.
- You have an intellectual or cognitive disability and have difficulty remembering, concentrating, or making decisions.
- You have an ambulatory condition and have difficulty walking or climbing the stairs.
- You have difficulty bathing or dressing or doing similar daily activities.
- You have a physical, mental, or emotional condition and have difficulty doing errands (such as shopping or visiting a doctor's office) without help.

You do **not** have to be receiving special assistance services in your home or living in any kind of nursing facility or assisted living facility.

# 28. I have a pre-existing condition or disability. Can I get health insurance through Covered California?

Yes, you can get health insurance regardless of any current or past health conditions or disability.

Starting in 2014, most health insurance plans can't refuse to cover you or charge you more just because you have a pre-existing health condition or disability.

# 29. I just found out I am pregnant. Can I apply for health insurance that will cover me during my pregnancy?

Yes. Make sure to answer yes to the application question "Are you pregnant?" or tell the person helping you to fill out your application. You can apply for health insurance that can cover prenatal care, labor and delivery, and postpartum care. Health insurance plans can no longer deny you health insurance if you are pregnant.

## Other questions (continued)

# 30. I just had a new baby. What should I do about health insurance?

If you did not have Medi-Cal or Access for Infants and Mothers (AIM) at the time of delivery, fill out this application for your newborn.

If you did have Medi-Cal or AIM during your pregnancy, you do not need to fill out this application.

- Include the mother's information on page 2 of this application.
- If you had Medi-Cal, call your county social services office to make sure your baby is covered from birth, or fill out a newborn referral form. Print the form at www.dhcs.ca.gov/formsandpubs/forms/Forms/ mc330.pdf.
- If you had AIM, call 1-800-433-2611, or go to aim.ca.gov to register your baby.

# 31. Will I qualify for health insurance if I am not a citizen or do not have satisfactory immigration status?

Anyone who lives in California can apply for health insurance using this application. Only people who are applying must provide Social Security numbers or information about immigration status.

But you may qualify for certain health insurance programs regardless of your immigration status and even if you do not have a Social Security number.

We keep your information private and only share information with other government agencies to see which programs you qualify for.

# 32. Were you in foster care on your 18th birthday?

If you were in foster care and getting Medicaid in any state when you turned 18, and you are now between the ages of 18 and 26, you may qualify for Medi-Cal. After we verify that you are a California resident, we will enroll you in Medi-Cal for free. Then we will verify that you were in foster care and Medicaid before.

### 33. What constitutes a one-time payment?

One-time payments are only allowed for gambling winnings, prizes, cancellation of debt, salary or wages from decedents' employer received by a surviving spouse, retroactive social security and railroad retirement benefits, lottery winnings, gifts, and retroactive unemployment insurance benefits.

#### 34. What does "self-employed" mean?

People who are self-employed earn a living directly from their own business or services. They do not earn money from a company that pays them.

# 35. Where can I get information about becoming registered to vote?

If you are not registered to vote where you live now and would like to apply to register to vote today, please visit registertovote.ca.gov. Or, call 1-800-345-VOTE (8683).

# 36. I am an American Indian or an Alaska Native. How can Covered California help me?

If you are a federally recognized American Indian or Alaska Native, or if you qualify in another way for services from the Indian Health Services, tribal health programs, or urban Indian health programs, you may qualify for free or low cost Medi-Cal. Or you may qualify for other cost savings, such as assistance paying premiums or no copayments. You may also have special monthly enrollment times.

- Complete Attachment A and send it with proof that you are an American Indian or Alaska Native. You can use a tribal enrollment card or Certificate of Degree of Indian Blood (CDIB) from the Bureau of Indian Affairs.
- If you qualify for Medi-Cal, you do not need to send proof of your American Indian or Alaska Native heritage. To see if you qualify for Medi-Cal, see Attachment F.
